COMPANY OVERVIEW

Tohi Vector Inc. is a Tennessee corporation that supplies parts, materials and logistics support to U.S. government buyers, with one accountable source from the manufacturer to the point of need.

We respond to requirements through DIBBS, DLA and SAM.gov, source from manufacturers and authorized distributors, and keep every order documented and audit-ready.

CORE CAPABILITIES

01 **Government Supply & Sourcing**
NSN parts and spares quoted through DIBBS / DLA; sourcing from manufacturers and authorized distributors; hard-to-find and obsolete items.

02 **Multi-Modal Logistics**
Road, rail and ocean freight under one point of accountability; regulated and hazmat cargo; delivery to the point of need.

03 **Compliance & Documentation**
ITAR, EAR and ATF-aware processes; export documentation; clean, audit-ready records for every order.

HOW WE WORK

01 **Find**
Monitor DIBBS and SAM.gov for requirements we can fill.

02 **Quote**
Pricing and sourcing confirmed before every quote.

03 **Source**
Product secured from the manufacturer or an authorized distributor.

04 **Deliver**
Shipped, documented and tracked to the delivery point.

DIFFERENTIATORS

- **Sole-source accountability:** one contract, one team, one point of contact.
- **Fewer hand-offs:** we control the lifecycle from factory to field.
- **Compliance first:** ITAR, EAR and ATF-aware processes.
- **Verifiable:** active SAM.gov registration, CAGE 19FS9.
