

TOHI VECTOR INC.

From Desire to Delivery: Sole-Source Integrated Acquisition & Mission Sustainment

HQ: Cleveland, TN | Web: www.tohivector.com | Email: contracts@tohivector.com

Status: SDVOSB | Native American-Owned (IIP Eligible)

COMPANY OVERVIEW

Tohi Vector Inc. is a **Service-Disabled Veteran-Owned Small Business (SDVOSB)** and a **Native American-Owned C-Corporation** specialized in **Sole-Source Integrated Acquisition** and **Mission Sustainment** for contested environments. We eliminate strategic supply chain gaps by integrating advanced manufacturing, secure multi-modal logistics, and critical infrastructure into a single, high-accountability solution. Whether managing high-voltage utility resilience or delivering regulated defensive assets into active theaters, Tohi Vector Inc. ensures 100% mission readiness.

CORE COMPETENCIES

- **Integrated Strategic Acquisition:** International procurement and importation of ammunition, energetics, and difficult-to-source defensive articles.
 - **Mission-Critical Manufacturing:** Rapid prototyping and US-based production of UAS/Drone airframes and Mk 19 ordnance hardware.
 - **Contested Sustainment:** Technical maintenance of classified airfield systems, TACAN navigational aids, and secure fiber-optic networks to ensure zero-downtime communications.
 - **Regulatory & ITAR Command:** Expert-level management of ITAR, ATF, and IMO standards, ensuring compliant, zero-delay delivery of regulated defense articles.
 - **Expeditionary Logistics:** Secure multimodal transport (Class 1/Hazmat) via ocean, rail, and road, specialized in "Last Tactical Mile" delivery in austere locations.
 - **Advanced Materials R&D:** Proprietary melanin biosynthesis for organic radiation shielding and thermal protection in stealth applications.
-

DIFFERENTIATORS

- **Direct Financial ROI:** Engagement with Tohi Vector Inc. qualifies Prime Contractors for the **5% Cash Rebate** under the **Indian Incentive Program (DFARS 252.226-7001)**.
 - **Single-Source Accountability:** We control the technical lifecycle from manufacturing to tactical delivery, eliminating third-party hand-off risks.
 - **Dual-Code Authority:** Fully registered as both a **Manufacturer and Wholesaler/Importer**, removing bureaucratic barriers that stall traditional vendors.
 - **Technical Heritage:** Deep institutional knowledge of high-voltage infrastructure resilience and aeronautical system integrity.
-

CORPORATE DATA

- **Entity:** C-Corporation (TN Control #002075849)
- **CAGE:** [PENDING] | **UEI:** [PENDING]
- **Security:** Authorized for Handling Sensitive / Class 1 / Hazardous Materials

Primary NAICS Codes

- **541614:** Logistics Consulting
- **332993:** Ammunition Manufacturing
- **336411:** Aircraft Manufacturing (UAS)
- **325920:** Explosives Manufacturing
- **541714:** R&D in Biotechnology
- **237130:** Power & Comm Line Construction
