

TOHI VECTOR, LLC *Factory to Foxhole: Sole-Source Mission Readiness* HQ: Cleveland, TN |
Web: www.tohivector.com | Email: contracts@tohivector.com

COMPANY OVERVIEW

Tohi Vector, LLC is a **Service-Disabled Veteran-Owned Small Business (SDVOSB)** acting as a Full-Spectrum Base Operations Support and Contested Logistics firm. We eliminate strategic supply chain gaps by integrating advanced manufacturing, secure multi-modal logistics, and critical infrastructure into a single, **sole-source solution**.

Operated on a foundation of seven core pillars—including absolute integrity and mission stewardship—we offer a cradle-to-grave solution for the tactical edge. Whether maintaining high-voltage substations, manufacturing and delivering defensive munitions into active war zones, or providing specialized **aeronautical systems sustainment**, Tohi Vector ensures the mission is ready.

COMPANY OVERVIEW

TOHI VECTOR INC. is a **Service-Disabled Veteran-Owned Small Business (SDVOSB)** acting as a Full-Spectrum Base Operations Support and Contested Logistics firm. We eliminate strategic supply chain gaps by integrating advanced manufacturing, secure multi-modal logistics, and critical infrastructure sustainment into a single, sole-source solution. Operated on a foundation of seven core pillars—including absolute integrity and mission stewardship—we provide cradle-to-grave solutions for the tactical edge, ensuring mission readiness in the most austere and contested environments globally.

CORE CAPABILITIES (The 7 Pillars)

- 1. Manufacturing (OEM) * Rapid prototyping and production of UAS/Drone airframes.**
 - Manufacturing of Mk 19 components and ordnance hardware.
 - US-based precision machining for specialized defense applications.
- 2. Expeditionary & Multi-Modal Logistics * Ocean Freight Management: Strategic sealift and maritime transport of bulk assets and regulated cargo.**
 - **Secure Surface Transport: Delivery of regulated assets (Class 1 / Hazmat) into active theaters via rail and road.**
 - **"Last Tactical Mile": Direct delivery in contested environments and austere locations.**
- 3. Global Sourcing & Strategic Procurement * International procurement and importation of ammunition and energetic materials.**
 - **Trusted supplier of legacy ordnance and difficult-to-source defensive articles.**

4. **Biotech R&D & Advanced Materials * Melanin Biosynthesis: Proprietary production of high-solubility melanin for radiation shielding.**
 - **Advanced Materials: Development of organic compounds for thermal protection and stealth applications.**
 5. **Regulatory Compliance & Audit Readiness * ITAR / ATF / IMO Compliance: Expert handling of regulated defense articles and International Maritime Organization shipping standards.**
 - **Healthcare Audit Readiness: Compliance consulting for medical and bio-defense contracts.**
 6. **Critical Infrastructure Maintenance * Sustainment: Maintenance of high-voltage power grids and substation installations (13kV-500kV).**
 - **Grid Resilience: Hardening and sustainment of power distribution for military installations.**
 7. **Aeronautical Systems & Communications Sustainment * Technical Sustainment: Maintenance of classified airfield systems and TACAN navigational aids.**
 - **System Integrity: Secure radio and fiber-optic network maintenance to ensure 100% mission uptime.**
-

DIFFERENTIATORS

- **Sole-Source Accountability: We control the lifecycle from factory to foxhole, reducing risk by eliminating third-party hand-offs.**
 - **Dual-Code Capability: Fully registered as both a Manufacturer and a Wholesaler/Importer, ensuring zero contract delays for regulated assets.**
 - **Integrated Infrastructure & Logistics: Rare capability to both maintain critical power infrastructure and manage complex, regulated global logistics in theater.**
 - **Theater Proven: Institutional firm experience executing mission-critical technical projects and logistics in active combat zones and contested locations.**
-

CORPORATE DATA

- **Legal Name: TOHI VECTOR INC.**
- **CAGE: 19FS9**
- **Unique Entity ID (UEI): PS2WN2NVN8N9**
- **Status: Service-Disabled Veteran-Owned Small Business (SDVOSB)**
- **Employer Identification Number (EIN): 41-3438169**

CORPORATE DATA

CAGE: 19FS9 | UEI: PS2WN2NVN8N9 | Status: SDVOSB

Security: Authorized for Handling Sensitive / Class 1 / Hazardous Materials

NAICS CODES

- **541614: Logistics Consulting (Primary)**
- **332993: Ammunition Manufacturing**
- **423990: Other Misc. Durable Goods Wholesalers**
- **325920: Explosives Manufacturing**
- **336411: Aircraft Manufacturing (Drones/UAS)**
- **541714: R&D in Biotechnology**
- **237130: Power & Comm Line Construction**

PSC / FSC CODES

- **1305: Ammunition, through 30mm** ● **1310: Ammunition, over 30mm up to 75mm** ● **1376: Bulk Explosives**
- **AN13: R&D - Medical: Biomedical**
- **V121: Surface Freight Transportation**
